TUESDAY EVENING, JUNE 26, 1906.

Two Billion Dollar Session.

The Fifty-ninth Congress, which is approaching the completion of its first session, is going to put all its predecessors to shame as an example for the discouraging of parsimony.

The appropriation of public money which will have been made by the time the session ends will be perilously near the billion dollar mark for a single session. At the rate public money is being expended and demands for greater sums are being formulated, the short session will come to a close in March, 1907, with appropriations very near \$2,000,000,000 for two years.

The appropriations to be made by this Congress will certainly pass the \$900,000,000 mark. There is in round figures \$80,000,000 in excess of any appropriations made at a single session of Congress since the session of 1899, the year following the Spanish war. It is \$119,000,000 more than was appropriated at the first session of the Fifty-eighth Congress. It is \$175,000,000 in excess of the estimates made by the different departments for the fiscal year ending June 30, 1907.

The inspection of meat alone will cost \$3,000,000, where it formerly cost less than \$800,000. The administration of another inspection service under the pure food law will, when in full operation, cost an amount of money that no one at this time can even roughly estimate. It is very doubtful if the men responsible for the appropriations in the Senate and House and the officials of the Treasury Department have had any serious consultation as to whether there will be money enough at the end of the next fiscal year to meet the enormous demands upon the accumulated surplus and the revenues which are now being authorized.

A Miraculous Cure.

The following statement, by H. M. Adams and wife, Henrietta, Pa., will interest parents and others. "A miraculous cure has taken place in our home. Our child had been 5 years and was pronounced incurable, when we read about Electric Bitters, and concluded to try it. Before the second bottle was all taken we noticed a change for the better, and after taking 7 bottles he was completely cured." It's up-to-date blood medicine and body building tonic. Guaranteed, 50c and \$1.00 at E. S. Leadbeater & Sons' drug store.

Bridal Pair on a Rainspout.

To have their cab dismissed and to be locked securely in a house surrounded by an excited gathering of wedding guests, which kept up a continual din upon dishes and other kitchen utensils, and finally to be kept prisoner until the last train for the night had left for Philadelphia and to be obliged to postpone their honeymoon trip 12 hours, such was the experience of Mr. and Mrs. John W. Abel, of Narberth, Pa., Saturday night. All this occurred after they had slipped quietly out of a third story back window and risked a life and limb by climbing in the darkness over a narrow rain conductor to the home of a charitable neighbor.

The chief actors in this serio-comedy were Miss Gertrude H. Savourin and John W. Abel, who were married at the home of Miss Savourin's aunt, Mrs. J. Henry Jones, of Merion avenue, Narberth, Saturday night. The ceremony was performed by Rev. S. S. Woodward.

Hoping to escape their tormentors, Mr. and Mrs. Abel prevailed upon Mrs. Henry W. Bray, a next door neighbor and herself a bride of a year, to permit them to slip into her home and start on their tour. They were discovered climbing from house to house, and the Bray house was thereupon surrounded.

You cannot induce a lower animal to eat heartily when not feeling well. A sick dog starves himself, and gets well. The stomach, once overworked, must have rest. You can't feed your dog or eyes. You don't have to starve to rest your stomach. KODOL FOR DYSPEPSIA takes up the work for your stomach, digests what you eat and gives it a rest. Put it back in condition again. You can't feel good with disordered stomach. Try Kodol. Sold by W. F. Creighton & Co., 401 King street.

Notice to City Tax Payers.

Collector's Office, June 16, 1906.
Notice is hereby given that the tax bills for 1906, are now in the hands of the collector. The attention of parties interested is respectfully called to the following extract from the revenue bill of this year:
"Upon all bills paid in full by the 1st day of July, 1906, the collector of taxes shall allow a discount of ten per cent., and on all bills paid by the 1st of September, 1906, he shall allow a discount of five per cent., and on all bills not paid by the first day of December, 1906, there shall be assessed and collected a penalty of five per cent. upon the amount of said bills, and on all bills remaining unpaid on the 1st day of June, 1907, damages at the rate of six per cent. per annum shall be paid."
Tax payers would do well to call and pay at once in order to avoid the rush and crowd usually present on the last days in which the discount is allowed.
Bring a list to make sure you get bills for all your property, as the collector will not be responsible or allow the discount after the time fixed by law.

TO THE OWNERS OF DOGS!

MAYOR'S OFFICE,
Alexandria, Va., June 8, 1906.
All persons owning or intending to keep any animal of the Dog or Canine species should come forward before the expiration of JUNE TWENTY-FIFTH, 1906, and take out license for the same from the Auditor. After the 30th of June all persons owning or harboring Dogs without the required license are subject to a fine as the laws on the subject require of \$3 or \$5.
Complaint has been frequently made that many persons fail to take out their license, and that others pay on one or two Dogs when owning and harboring more, or when such Dogs away during the summer months and brought back in the fall.
Attention has been called to this evasion of the law, and policemen will report all such violations to the Auditor. If you own a Dog, you fail to take out licenses after trial in the Police Court.
The police officers will be required to report all violations of this law.
In order to avoid any mistakes persons who make application for licenses would do well to write their names and number of residence, street, etc., on a card or paper when making application for their licenses to the Auditor.
FRED. J. PAFF, Mayor.
The following is a copy of Section 54 of the license law: "On every dog, regardless of sex, one dollar and fifty cents."
